Model Laives
Montagehandleiding
Vloerlamp

Assembly Instructions :

- 1) Take out the lamp from the box carefully with all parts, and keep it in a dry place to assemble.
Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.
- 2) Place the lamp (Part A) which shows the threaded tube onto the lamp base (part B) along with the inside provided loader base (Part C) which will make the lamp heavier and stable to stand firm upright; along with the washer plates / nuts provided inside (Part D).
- 3) Tighten the nut with the hardware tool (Part E) and screw tight.
- 4) When lamp is assembled, adjust the lamp into position by arms (2xPart F) and tighten it gently.
- 5) Do not lean or push the lamp too much - towards the front side, as lamp may fall; Place the bulb (not included) into the socket.

Warning:

To reduce the risk of fire, electrical shock or personal injury, always turn off and unplug lamp and allow it to cool prior to replacing light bulb.

Do not touch bulb when fixture is turned on. Do not look directly at lit bulb. Keep flammable materials away from lit bulb.

Care instructions:

Wipe clean with a soft, dry cloth.

Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the fixture's / finish.

Power connections may only be handled by a qualified electrician.
